## A Training Course in Family Attachment Narrative Therapy

Presented by:

Melissa Nichols is Director of Education and Support Programs and licensed therapist at The Family Attachment and Counselling Centre in Minnesota. She is the lead author of "Parenting with Stories: Creating a Foundation of Attachment for Parenting Your Child"

Family Attachment Narrative Therapy (FANT) is a gentle, non-intrusive methodology for working with children and families suffering from the effects of attachment disruptions and trauma in early life. Narratives facilitate attunement and empathy between parents and children, which can provide a channel for healing trauma.
